Carrie Michelle Foster was born and raised in Jasper, TX. She graduated Jasper High School a year early in 2003 and continued her education at Lamar University. While attending Lamar University for her Bachelor's Degree in Family and Consumer Science, Carrie went to New York and Paris and studied Design.

After moving back to Jasper and marrying her longtime boyfriend, Garrett Foster, Carrie soon graduated Lamar and started working at Ashley Furniture as their Interior Designer. She worked at Ashley for two years and then joined the teaching world at Jasper High School.

Since then, Carrie has extended her family and welcomed two children into this world.

Gage is her little boy who was born in October of 2009. She describes him as a tough momma's boy who is very tender hearted.

Harper is her little girl who came in August of 2013 and arrived with a huge personality ready to take on the world.

Teaching is something that Carrie feels is very rewarding. She loves to help people and feels that it is her job to better prepare our kids for life after high school. Teaching them things that they are interested in and skills that they need to know for the future is what she strives for.
