

Steve Drumm

My name is Steve Drumm, and I currently teach the Criminal Justice program at Jasper High School. I am a 1994 graduate of Lumberton High School. After high school I joined the United States Navy where I served 4 ½ years on active duty before transferring to the US Army. My active duty military jobs included fire and rescue, as well as military police.

Upon finishing my active military career in 2001, I started my education in the medical field in Abilene TX. 9 years later while working for the Texas Department of Health and Human Services I went to the East Texas Police Academy where I graduated valedictorian of the academy class. I started my law enforcement career at the New London Police Department, New London TX. In 2011 I transferred to the Kountze Police Department where I worked patrol, training, evidence tech, k-9 narcotics, and field training officer. I became the School Resource Officer and Criminal Justice Teacher for Kountze ISD. In 2014 I was selected to be Chief of Police for the city of Zavalla. I was responsible for rebuilding a department, responsibilities included budgeting, training, investigations, safety, emergency management and overseeing all aspects of the department.

I currently have an associate's degree in Criminal Justice from Tyler Junior College, a Bachelor's degree in Criminal Justice Administration from Tarleton State University. I have over 5,000 law enforcement training hours, and have served as a training instructor for the Angelina College Regional Police Academy since 2014.

I have a wonderful wife of 2 years, and 3 girls, twins Aspen and Bailey whom both compete in equestrian horseback riding, and Rylee my youngest is deaf, allowing us to learn a new language of ASL. All 3 girls keep us in the fast-paced excitement in life. God has truly blessed my family and that gives me the passion to bring knowledge of the Criminal Justice field to the classroom.
